

# Exhibit at IMAC-XXIX

**It's time to place your exhibit reservation for  
IMAC-XXIX**

## **A Conference and Exposition on Structural Dynamics**

With this year's timely new theme, *Advanced Aerospace Applications*, and an exciting technical program, we are looking forward to a very successful event!

Exhibiting at IMAC-XXIX will allow your firm to promote your products and services, generate sales leads, network with current customers and recruit new ones. Please keep in mind that technical exhibitions bring the greatest return on your marketing dollar.

Along with the 8' x 10' exhibit space, included in the exhibit cost of just \$1,625, you will receive one complimentary conference registration along with one copy of the conference proceedings. You will receive the complete post-conference list of attendees along with a FREE 1/4 page size ad in the final program. In addition, your firm's product or service listing will be published in the IMAC-XXIX Advance Program, and on the SEM/IMAC web site, <http://sem.org>.

To obtain additional information regarding this great exhibit opportunity,  
please contact **Joni Normandin** at  
**[joninormandin007@aol.com](mailto:joninormandin007@aol.com)** or **Tel/Fax: 860-484-4387**.

**IMAC-XXIX, January 31 – February 3, 2011  
Hyatt Regency Jacksonville Riverfront, Jacksonville, FL USA**
